

INDUSTRY LINKAGES AND INNOVATIONS PROGRAM

FINAL NOTICE FOR THE NOVEMBER 2023 INTERNSHIP DEFENCE

This notice is to inform students of the upcoming Internship Defence for all schools i.e. Seaview Weekend School, Main School & KCC Evening and Weekend Schools which has been scheduled for 3rd to 4th November 2023 at 9:00 am each day at the Seaview Campus.

It is important to note that, only students, including those working, who have passed all eligibility checks after submitting their *Employer's Assessment Form*, *Internship Placement Application Form* or *Work Placement Application Form*, *Internship Report* and *Attestation Letter/Proof of Employment* (not appointment letter) will be allowed to defend their internship program through a five (5) slide PowerPoint presentation on the scheduled date.

The attached PowerPoint file containing the slides should be named '*Student's Name_Student ID*' (eg. *Wilson Abam_ABS11100012Y*), with the subject of the email as 'November 2023 Internship Defence', and sent through the email: internship@ait.edu.gh latest by 3:00 pm on Wednesday, 1st November 2023.

Students are advised to download and print the *Internship Defence Grade Sheet* and *Internship Report Grading Scheme* (some of which have been attached to this notice) prior to the internship defence.

Failure to meet the above requirements and or conditions automatically precludes a student from the internship defence.

In order to ensure this evaluation is an equitable, consistent, growth and improvement oriented process designed to provide flexibility so that the needs of a diverse student group could be met, the said activity will be by a blended mode, namely both in-person attendance as well as by a virtual mode. The virtual

meeting will operate on *Google Meet* and will be similar to any in-person meeting.

The internet infrastructure in our part of the world sometimes proves unreliable. Due to the likely concurrence of such mishaps, the Internship Coordination Unit recommends in-person attendance by all. However, students who cannot make it to the face-to-face session due to certain unforeseen circumstances beyond their voluntary control may want to avail of the online version by sending an email to internship@ait.edu.gh copied as sent to abeka@ait.edu.gh latest by Wednesday, 1st November 2023 at 5:00 pm in order to serve as input into prior scheduling for the online internship defence. To make sure your participation in the virtual mode goes smoothly, you also are required to:

- Be online and available at least 15 minutes before the meeting,
- Have a reliable and fast internet connection,
- Test your microphone and video camera,
- Have a non-distracting environment around you during the meeting. The room you are using should be both quiet and the background used as plain as possible.

All students are advised to abide by the above guidelines since the Internship Coordination Unit will not accept responsibility for any resultant inconvenience, challenges, and loss arising from your inability and/or refusal to comply accordingly.

Below is the list of students who are scheduled for the Internship Defence:
